The narrative "tricks" the reader into believing that the text is a detective novel about a man and his search for his true identity. The Ami, however, rejects Sei as well, and she has no choice but to be reborn as a child in the real world. In doing so, he seemingly signs not only his own death warrant but that of his sister and loyal crew. Thefilmscamecheap;U. The social effects that this new mechanical age brought about became the focus of numerous essays and literary works in prewar Japan. Write a review Your Name. The contemporary age is the age of machines, in contrast to the people at the turn

of the century, who feared machines.

Escaping on an obsolete galleon, Hartwell must evade the chasing English forces.
