Without introverts, society would be full of outgoing and social people but a lot fewer artists, analysts, scientists, doctors, writers, engineers, and designers. Be prepared to do the extra research and practice required to turn risk into leadership and success. InaMannerofSpeaking. I read it on the flight and with every page I learned more on how to make my trip to Amsterdam a worthwhile business expense. Another successful introverted leader is Manchester-based Prof Vikas Shah, who was recently awarded an MBE for services to business and the economy. MarshallGoldsmith. In contemplating the intricacies of a situation first, introverts are better equipped to communicate with their team and drive positive results. That evening I learned the importance of networking and realized I had to figure out how to engage in business events in ways that were comfortable for me.
