What a snooze! They say you're strong, and you've survived something that might have killed. Like Japanese pottery mended with gold—the art of kintsugi—women become even more beautiful with our flaws.

To get a scar, the wound has to go deep enough to injure the inner layers of your skin. If you have a scar on some part of your skin—such as an acne scar, a surgery scar, a burn scar, or a scar from a cut—you may feel embarrassed by it. Throughout our lives, we have experiences that injure our skin, leaving behind a scar. But as many of us know all too well, acne during adulthood is very common.

To reduce possible side effects, you may receive another scar treatment, such as laser treatment. Sign In.
