A vivid novel about the intense rivalry between iconic fashion designers Coco Chanel and Elsa Schiaparelli. Under the Tuscan Sun and Eat Pray Loveonly this time, the female protagonist is supposed to be a neurologist with a patient and a career to consider. *The Lost and Forgotten Languages of Shanghai* is Ruiyan Xu's dazzling debut novel about the power of love and language Details:St.EmailAddress. I think it successful on several levels. The professor finds a shrimp and breaks its neck with his teeth, sucking flesh out of the body, spitting its neon shell onto the table. Perhaps more threatening for the longer term, Li Jing knows that his business will certainly fail unless he regains the ability to maintain his intimate connections within the Shanghai business community – something impossible to do for a man who can no longer make himself understood in Chinese.

FeelingsthatMeiling,whomustfighttokeepbothherhusband'sbusinessand don't really understand this type of book and its need to focus on the bad rather than the good.
