Feuer November The Far East and Australasia Technological developments generally produced a cascading effect, as now obsolete weaponry found its way into the hands of willing customers in East Africa, the Persian Gulf, the Northwest Frontier of India, Burma, Sumatra, and the Moluccas.

Singkawang West Kalimantan. But by the late nineteenth century, the consolidation of European industrialization led to a rapid increase in demand for agricultural and industrial raw materials as well as for other goods, and it made the provision of quicker, cheaper and more efficient means of transportation and communication necessary. Borneo: Island in the Clouds.

Migration and communication were the real accelerating factors of European expansion.
