Nonetheless, this view should not detract from the strengths of this excellent and thoughtful collection of works. Paul Becker, Karel Arnaut, Forgedfromapartnershipbetweenauniversitypressandalibrary, ProjectM The urban challenge in Africa: Growth and management of its large cities. Click here to cancel reply. The book concentrates on social relationships and how these affect the development of the city, and the four cities are used to examine the role that the imagination plays, and the different social groupings, whether women, youth, national or language groups. Publicculture163RajiMatshedisho, Assembling Douala Cameroon. They have to engage in novel forms of governance that are not based on Western models and their history.
