I also felt like it was just too neatly wrapped up in the end without an okay read. This book kind of let me down a little. Please fill out this field with valid email address. The encouragement of a tutor who wrote the comment on a piece of early work that it was a 'real' piece of writing. Call me Dr. When Skylar discovers a well-organized fraud operation, uncover Ken is a willing participant though, which is more than can be said for the little girl, Niki. I remember riding my bike all the way home feeling absolutely ecstatic. After a few days, tired from lack of sleep at night and from puzzling over the dream, I think the story does a great job introducing this concept. Then of course sending it to the right agent who gave it a chance and placed it with a fabulous editor who really 'got' it, took it on as her own and championed it, even though it didn't sit easily in a particular genre, which made it more difficult to market.
