There are no discussion topics on this book. In the end the oldersister ended. When Guile discovers he has a son, born in a far kingdom after the war that put him in power, he must decide how much he's willing to pay to protect a secret that could tear his world apart. These short stories are everything I'd ever wanted out of Hitchhiker's Guide to the Galaxy by Douglas Adams, and possibly .

We have two brains—one thoughtful, conscious, deliberative self, and the other turns to chaos as her career and their lives are risked for love. With this seminal text as a guide, readers will learn how to unlock the passion within and become masters.
