The Empire was partly a divine institution; the Papacy, whatever disclaimers it might put forth, was at least equally a political institution. The right to legitimize children born of illegitimate union so that they may receive inheritances, or other civil or ecclesiastical offices or benefits, belongs solely to the "legislator. He enlarges at great length on the importance of giving to all citizens some share in the government; he dwells upon the capacity of the humblest to do his part; but he nowhere describes any higher group as having special qualifications for citizenship. Socialrole:instructthepeopleandadministersacraments2. Marsiglio, Uke any fair minded Protestant controversialist, is wilhng to admit the great probability of Peter's presence in

Rome and even that he may have had some such leadership in the Christian community there that he may fairly be described as its 'bishop. Whatever one may think of the value of this logic, the point is clear enough, and the third book clinches the 'argument.

The main claim that must be debunked is that the Pope is owed even secular authority. he wrote a short work entitled *Defensor minor*, a restatement of his earlier and better-known work.
