I like the fact that he does not promise the Earth with ridiculous claims of winnings, but demonstrates how long term steady profits are achievable by laying certain favourites. We need to take a good look at how that would work in real life. Let's look at horse racing as an example, so you can visit the Betfair site and see. For this first method, we wanted to see how much money would be made if we put the same fixed stake on every bet since Hi Everyone, I thought I would migrate the selections, and results from my place only testing on a new system I started testing.

Note: A Double may be thought of as a full cover bet with only two selections. The Betting System. You can see from this that as the prices get shorter, the percentages start to work a little more in your favour on the place side of things.
