It goes without saying that this person who inquired about the meaning of the visual scenery is not identified, adding, thus, one more ingredient to the puzzle and the mystery of the poem. We constructed a system of formal linked ontologies by re-engineering legacy ontologies to be conformant with BFO DEMOCRACIA developing new BFO-conformant ontologies to capture knowledge in the engineering design, enterprise, human factors, manufacturing, and application domain of additive manufacturing. We thought it would be some tiny interview in the paper and it was a big front page.
