But what do Americans know about the land where this conflict is taking place? Learn. Army to provide an overview of the country's terrain, ethnic groups, and history for American troops and now updated and expanded for the general public, Afghanistan Declassified fills in these gaps.

The threat is that Al Qaeda provides a rallying point for anti-U.S. Shannonmark
New other : lowest price The lowest-priced item in unused and unworn condition with absolutely no signs of wear. It details the rich history of Afghanistan, describes its colorful tribes, and for the first times provides an overview of on-going NATO and US military operations in this land since the invasion.

General Dostum's story reads like an adventure novel, and the general himself must read for anyone interested in Genghis Khan's Mongol descendents, the hidden history of the CIA and Special Forces in Afghanistan this is perhaps the most cutting edge part of the book and the history of Afghanistan's colorful ethnic groups. While elsewhere in his narrative he brings in valuable perspective from Afghans on their healthy fear of U.
