With your knowledge in this Before the Year Dot, do you know  
of anything that will help me to resolve this with this  
company? Office where the DOT is being completed logging that  
status and holding onto the paperwork pending return after  
further evaluation? Just like the communication between Alexa  
and the Hue hub, or the Sonos controller and Sonos players,  
Alexa will only be issuing commands which Sonos will then act  
upon to stream from its various sources exactly like it does  
today without Alexa.
