While the insurer may be indifferent in this scenario as to whether it pays out its policy limits before or after trial, the insured is most certainly not. General liability insurance would cover the claim and the medical expenses related to it up to your coverage. Your personal auto policy insurer will not defend or pay damages on behalf of your business. Berkeley in communications and political science. It should be noted that cr Please help improve this article by adding citations to reliable sources. The duty to defend is generally broader than the duty to indemnify, because most but not all policies that provide for such a duty also specifically promise to defend against claims that are groundless, false, or fraudulent. Our general liability coverages include: . Professional liability insurance Employee insurance can take the form of life insurance, disability insurance or health insurance and will also provide coverage for the time period necessary to recruit, hire and train a replacement. Measuring each risk will provide windows to other potential exposures and you will need to determine the best way to protect your business from losses related to .
