And these talks span a wide array of subjects, from public health to urbanization to gentrification to art and food to name a few! What has been your favorite talk to translate thus far?

ThegatheringwillrunfromApril10to14,inbeautifulVancouver,Canada. About this event: Our Theme for the event was Openness. I read about a study recently of successful entrepreneurs, and the author found that these people shared a habit that he called "productive paranoia," which meant that these people, instead of dismissing their fears, these people read them closely, they studied them, and then they translated that fear into preparation and action. Readonbelow!So, decide who you want to be in this crisis: the one who turns desperate people back to their deaths, or the one who embraces and shelters them?
