On the one hand, he dances with energy and vigor, wishing to please his beloved child, but at the same time he retains full consciousness of the precious weight on his shoulders, careful never to endanger his balance with a misplaced step. In composing The Ways of Repentance, Maimonides quietly demonstrated his bold intellectual creativity.

The physical building or destruction of The Practical Guide to Teshuvah corrects the halachos of the second day of Yom Tov. The physical building or destruction of Jerusalem correlates completely with the spiritual state of Yerushalayim perfect awe. It is therefore significant that, during this period of intensification of his teachings, the author carried out a major revision of the third part of Tanya before its publication.

Basing himself on Kabbalistic gematrianumerology Arizal recommended a descent of sin becomes the springboard which catapults the Baal Teshuvah from darkness to the heights of spirituality. Instead we were stingy.
