Magazine Current Issue. His first major breakthrough came at age 18 with his first book illustration for Carl H. After Theo died inshe inherited heaps of Vincent's art, and spent years organizing exhibitions, promoting his work across Western Europe, and getting his pieces in public art collections. These paved the way for other female artists through their paintings, sculpt Retrieved December 5, Known as the "Boy Illustrator," Rockwell worked for several years illustrating for a wide variety of young people's magazines. Consequently, Rockwell is not considered a "serious painter" by some contemporary artists, who regard his work as bourgeois and kitsch. It did not help that he grew up at a time when the male body—as much as the mind—had Rockwell always wanted to be an artist. No worries!
